Waiver (Please read and sign below)

Accidents: Although accidents are very rare, there is a risk when dealing with animals. Grooming equipment is sharp, and although we use extreme caution and care in all situations, it is possible that your pet's snails may bleed a bit. In most cases this can happen when an animal is wiggling or moving around. Your pet's safety and comfort is our number one priority. In the event an accident does occur, a mild styptic powder will be applied to stop bleeding. If Puppy Luv feels it is serious, and the owner is not on-site, Puppy Luv will seek immediate veterinary care for your pet with the closest vet clinic, at your expense.

Health or Medical Problems: Occasionally, grooming can expose a hidden medical problem or aggravate a current one. This can occur during or after grooming. Please make sure to alert us of any current or past issues so that we may keep an eye out for them. All medical expenses for veterinary care will be covered by the pet's owner upon signing this contract.

Vaccinations: I certify that my pet is up to date on Rabies vaccinations.

By completing and signing this release form, I hereby release Puppy Luv Dog Spa and all associated parties from any and all liabilities for injuries to myself, my dog, or any other property of mine which may arise from any services or products provided by Puppy Luv Dog Spa.
